Winter's Tourney update:

We were trying to get the paperwork to make it an official event received, but no word as of yet. I am looking if there are any special requests regarding the schedule of the event. It's being held at the Chilliwack Fish and Game club on February 21st 2009. (See attached publication) The week of next council I plan to send an email schedule, more details of the feast and odds and ends out ... and place it on our website. The Shire will provide the starter food again this year. Does anyone know where the table clothes are? (Next council could I get the platters?)

Monthly Lionsdale

Dance Report

Greetings unto the Seneschal of Lionsdale and its populace, the following is the full report for December AS43 being the year 2008.

- Lionsdale dance has occurred every Tuesday evening from 7:30 - 9:30 PM with an average of 12 individuals each week.
- It was decided at dance practice that the students enjoy the format we have compiled for the ball. The next ball will be the New Year's Eve masked ball. The format will be sets of roughly 10 dances each, to be danced without calling or teaching. Once all sets have been danced, there will be requests taken and free-formed dances will be permitted.
- The testing for La Misura di Ballare is still available, but no new testing has occurred recently.
- With the regular attendance of the Lions Gate dance group, the Lionsdale group has an influx of new dances on a regular basis. This past month of November there was a group that went down to the Barony of Aquaterra's Day of Dance. Many new dances were brought back, and we look forward to teaching these dances to Lionsdale's dancers. Several new dances have been taught successfully and were integrated into our regular dance routine.
- The dancers have, in the past few weeks, seen the scribal workshop group join our classes. It is nice to have another discipline join us at Lionsdale's practice.

This concludes Lionsdale dance report, December AS43 being 2008.
